Dear Whitley:

[redacted] has advised me of your recent telephone conversation with him and the fact that you are planning to come to Washington for a visit sometime between the first and the middle of November.

STAT
There is a possibility that I may be away from the city sometime during this period, but naturally I shall be delighted to see you any time if my presence in Washington coincides with yours. I understand that Ned has also expressed to [redacted] our desire to get together with them during your Washington visit, and I am sure that they plan to be here and will see you at that time.

With best wishes,

Faithfully yours,
